

PETS MEMORIALS

A wide range of shapes, sizes and colours are available on our "Pets Memorial" plaques. A specially designed stake fixing method is included for placement in your private garden area.

For many of us memorialising our beloved pets once they have passed away is not only a form of healing but also a way to keep their memory alive.

A bronze memorial provides an everlasting memory and can be used either indoors or outdoors as a token of the love and companionship your pet gave you.

Phoenix "Pets Memorials" are quality handcrafted memorials and, wherever you choose to place them, are a special reminder of cherished times.

There is a wide selection of design options available including shapes, colours, borders and motifs. Fixing options include stakes for use in gardens, or lugs, studs and screws for attachment to either garden furniture or rocks.

For help in organising your original personalised "Pets Memorial" please contact your local pets memorial consultant.

Above is a small selection of flat relief motifs that can be included on a bronze plaque. Tailored flat motifs of your special friend can be drawn by our artists on request.

Visit www.phoenixfoundry.com.au for a comprehensive overview of our products and services.
